Dear Mr. McGary;

Please accept this letter as acknowledgement of the excellent product and service we have received from your company.

Spectrum Building Systems provided a 12' x 56' office trailer which was set up and installed.

Your company provided a high quality product, the structure is completely sound and all of the details were given proper attention.

The scheduling, workmanship, quality and professionalism that Spectrum Building Systems displayed in the supply and installation of the Office trailer is worthy of commendation. The Government relies on dependable suppliers like you to help us meet our schedule and accomplish our mission.
